If we knew the beauty and power of the Mass, we would want to come every day...

“On Sundays and other holy days of obligation the faithful are bound to participate in the Mass for it is only just – God has given us so much!

The faithful are also to cease from those labours and business concerns which stop them worshipping God on Sundays.

The Lord’s Day should be full of family joy and relaxation of mind and body.” *Canon 1247*
